**The Remin Chronicles** is a fantasy-adventure series in the tradition of the Wizard of Oz and The Chronicles of Narnia. The books are imaginative stories of magic, friendship, and adventure—with a bit of environmental science blended in. In **The Dark Dreamweaver**, ISBN 0974560316, David, a boy from our own world, visits Remin, the world of dreams...does battle with the evil sorcerer Thane...and is aided by an imprisoned wizard battling the dream thief and living repeatedly through the lifecycle of a monarch butterfly. David and several cousins return to Remin in **The Breezes of Inspire**, ISBN 0974560332, but quickly get transported to the equally threatened world of Inspire. Both were published in hardback by Imaginator Press and are available at <<http://www.reminchronicles.com>> or through Greenleaf Book Group, Ingram, and Baker & Taylor.
